Led by President Gus Frangos, the Cuyahoga Land Bank strategically acquires properties, returns them to productive use, reduces blight, increases property values, promotes economic development, supports community goals, and improves the quality of life for county residents.

The Cuyahoga Land Bank Charities was created to promote the Cuyahoga Land Bank’s existing charitable, social service and faith-based work with other charities whose clients include: veterans, individuals transitioning out of incarceration, foster care and poverty. Cuyahoga Land Bank Charities provides support via grants, administration and donated homes, with the goal of promoting affordable housing, economic stability and equitable wealth building, education, and family stability through home ownership.
